

Ask You To Wait

Written and Composed By: Anthony Holloway

Verse

Saw you sittin' by the riverbank,
Starin' at the sunset, watchin' it sink.
Your phone in hand, you're waitin' for a call,
But honey, it ain't comin', no, not at all.

Pre-Chorus

Why you holdin' on to yesterday,
When tomorrow's here, beggin' you to stay?

Chorus

Hey, he didn't ask you to wait,
So why you standin' there in that same ol' place?
Life's movin' on and so should you,
There's a world out there with a brighter view.
Hey, he didn't ask you to wait,
So why you wastin' your heart on a hopeless case?

Verse

I see the spark that's in your eyes,
But it's dimmin' fast, girl, it's no surprise.
You're chasin' shadows of a love gone cold,
But I'm right here, ready to hold.

Pre-Chorus

Why you holdin' on to yesterday,
When tomorrow's here, beggin' you to stay?

Chorus

Hey, he didn't ask you to wait,
So why you standin' there in that same ol' place?
Life's movin' on and so should you,
There's a world out there with a brighter view.
Hey, he didn't ask you to wait,

So why you wastin' your heart on a hopeless case?

Verse

You've been hangin' on to what's long gone,
But girl, don't you see, that chapter's done?
There's a ember in your heart, waiting to ignite,
And I'll be here to love you through the night.

Pre-Chorus

Why you holdin' on to yesterday,
When tomorrow's here, beggin' you to stay?

Bridge

Let's take a ride down that open road,
Leave behind that heavy load.
I'll show you love that won't fade away,
Take my hand, let's start today.

Chorus

Hey, he didn't ask you to wait,
So why you standin' there, why hesitate?
Life's movin' on and I'm right here,
Let's chase the dreams that are crystal clear.
Hey, he didn't ask you to wait,
So why you wastin' your heart, come on, let's escape.

Outro

No more waitin', we're on our way,
To a love that's here, and here to stay.
Hey, he didn't ask you to wait

So why you wastin' your heart
on a hopeless case?

Saw you sittin' by the riverbank,
But now you're with me, watchin' dreams take shape.
No more waitin', we're on our way,

To a love that's here, and here to stay.
