

Bored With You

Written and Composed By: Anthony Holloway

Verse

We could hit the town, paint it red,
Or just stay home, lie in bed,
Turn on a movie, talk all night,
Either way feels just right.

Pre-Chorus

Ain't gotta have a plan, baby, don't you see,
'Cause every moment's perfect when it's you and me.

Chorus

I'm bored with you, and I love it, love it,
Every little moment, we rise above it, above it,
We can do whatever, forever, it's true,
'Cause I'm perfectly happy just being bored with you.

Verse

We could chase the sun, drive all day,
Or sit on the porch, watch the world fade away,
Laugh at our jokes, even when they're bad,
With you, I forget what it's like to be sad.

Pre-Chorus

No need for fancy plans, baby, don't you see,
'Cause every simple moment feels like ecstasy.

Chorus

I'm bored with you, and I love it, love it,
Every little moment, we rise above it, above it,
We can do whatever, forever, it's true,
'Cause I'm perfectly happy just being bored with you.

Bridge

We could travel far, we could stay right here,
With you by my side, there's nothing to fear,
In the quiet times, or when the sky's blue,
I find my peace just being bored with you.

Chorus

I'm bored with you, and I love it, love it,
Every little moment, we rise above it, above it,
We can do whatever, forever, it's true,
'Cause I'm perfectly happy just being bored with you.

Outro

So let's stay right here, nothing we gotta do,
Forever and always, just me and you,
I'm bored with you, and I love it, love it,
Every little moment, we rise above it, above it,
We can do whatever, forever, it's true,
'Cause I'm perfectly happy just being bored with you.
